

Attendance

School doors open at 8.40am and close at 9am. Please ensure children arrive in school on time. Children should be collected from school at 3pm from their normal classroom exits. Children should not be collected via the school office.

We want all of our pupils to succeed and one of the best ways for this to happen is for them to attend school every day, on time. The only reasons for absence should be through illness or an exceptional circumstance. School attendance remains a key priority across our federation.

We hope you found the recent attendance letters informative and we plan to write to you later this term with an update.
