

Reading Superhero Characters

At Cavendish, to support with developing children's comprehension skills we have our very own family of reading superhero characters! They help children spot the reading skills they need to use to be able to understand and comprehend the text they are reading.

Violet Vocabulary helps you work out the meaning of unknown words and phrases.

Izzie Inference will help you hunt for clues in a text about how someone might be feeling or why something is happening.

Robin Retrieval goes into a text and just simply retrieves the facts and key details.

Cool-Cat Commentator discusses the content of a text and compares events and characters. *(KS2 only)*

Sunniva Summary is there to remind you to sequence or summarise the main points or events.

Panther Prediction tries to see the future and she will help you to work out what might happen next from the clues in the text.

Aviator Author likes to spot examples of ambitious vocabulary and help you explain how these words add to the meaning of the text. *(KS2 only)*
