### THE BENEFITS OF READING BOOKS

#### The Power of Reading

There can be few things as powerful as reading with a young child. It has astonishing benefits for children: from providing comfort and reassurance, confidence and security to relaxation, happiness and fun!

Reading together builds self-esteem, extends vocabulary and feeds children's imaginations. Your support with your child's reading journey is most appreciated as always.

#### Home School Reading Rewards

We encourage children to read at home as much as possible to improve both their reading fluency and comprehension skills.

Both key stages have exciting rewards to celebrate reading at home including; certificates, stickers or raffle tickets and even books to take home as prizes!

Please encourage your child to bring their books and reading record to school each day so that they can be changed regularly.
