# Sport Update

with Mr Clarke

During the summer term, both Year 5 and Year 6 have taken part in competitions. Year 5 participated in a netball competition and Year 6 represented the school in a cricket tournament. All the children showed great sportsmanship, teamwork and determination during all of the events. They were such a credit to Cavendish Primary School, I was really proud of each and every one of them!

The Year 5 netball tournament was against eight local schools. The team showed great skill and tactical awareness to win seven of their eight games and proudly finished in first place.

The Year 6 cricket competition was against 24 teams from across the Bradford district. The children played well and grew in confidence with each game. They won three of their six games and finished in seventh place overall. Well done!

During this term, many children have been continuing to enjoy using our outdoor gym equipment in the KS2 playground and taking part in the wide range of activities that are organised during lunchtimes. Well done to the children in Year 5 who have been working as play leaders in KS1 over the last term, the younger children have really loved the activities.

Finally, I would like to thank all the staff who helped with the running of sports days during our health and wellbeing themed week. We had a fabulous week in school and it was lovely to see everyone enjoying lots of opportunities for physical activity, not just as part of sports day, but also during the sports activity afternoons and the boxercise and archery sessions.

I loved playing in the netball competition because I am proud to represent the school. It was exciting to play against other schools and use the skills that we had been working on during PE. The best part was winning the final and getting our own gold medals to keep and a trophy for the cabinet at school.

Nursery

## Blast Off!

During the summer term, we have been learning about Space in Nursery. We have enjoyed playing with the small world rocket, astronauts and aliens. We have even designed some of our own aliens! Our learning was made even more exciting with a special visit from the planetarium. We were amazed by the fantastic space projections all around us and particularly enjoyed meeting some alien friends! We loved watching the first astronauts who landed on the moon embark on their journey, counting down and shouting 'BLAST OFF!'

My favourite was shouting 5, 4, 3, 2, 1 Blast off!

AZLAAN

I liked seeing all the stars and the loud noises!

LYLA

## School Council

Following on from our litter picking last term, our UKS2 school council representatives delivered assemblies to each phase this term on 'reducing, re-using and recycling'. We really enjoyed sharing our important messages with the rest of the school to help our environment. During the assemblies, we reminded everyone to pick up any litter after a picnic or bbq now the warmer weather has arrived.

We have also been busy collecting lots of pupil voice this term. We have asked our classes for their thoughts and opinions on how to use our KS2 field at play and lunchtimes to its best potential now we are in the summer months. We have also been asking our classes what new books or authors children would like to see in our school library. We are looking forward to sharing this feedback at our next meeting!

Year 1

# Bradford Industrial Museum

Year 1 had a fantastic time at the Bradford Industrial Museum, learning the history of cloth making. We listened carefully to how a piece of cloth is made and even had the opportunity to experience each part of the cloth making process within our groups. We saw how the machines worked and how loud they were! Also, we explored the different exhibitions, such as transport and printing, and we even came back with our very own printed certificate!

*I had a great day going to the museum! My favourite part was seeing all the old cars.*  
ROMEO - ELM CLASS

*The old machines were very loud and noisy!*  
HOPE - HOLLY CLASS

# Outdoor Learning

During the summer term, Year 6 have thoroughly enjoyed taking part in outdoor learning. We have put aside time to care for our allotment, making sure that the crops got enough water during the heatwave, keeping the weeds under control and then harvesting the crops that we had grown.

We have also taken part in a range of other exciting outdoor learning activities including; orienteering, making bird feeders and whittling.

*I enjoyed picking the lettuce and rashai that we have grown in the raised beds. Some of the lettuces had grown as large as a bush! I also enjoyed tasting the rashai and lettuce.*

JAMES - JUNIPER CLASS

Year 3

# Saltire

During the Summer term, Year 3 had the opportunity to visit Saltire to consolidate our learning about the local area. We explored the village looking at the local street names, architecture, different buildings and Robert's park. Through our learning, we understood the importance of preserving local history and why it was built. Finally, we rounded off the day with a game of rounders and some time in the adventure playground! We had a wonderful time and appreciated the historical importance of such an area.

*I had a great time looking inside the Mill and finding all the street names*

CAIUS - MULBERRY CLASS

*I enjoyed looking at all the famous David Hockney paintings inside The Mill*

Year 6

# Year 6 Production

For the past few weeks, Year 6 have been hard at work rehearsing for our end of year production. We are performing 'I'm an 11-year-old: GET ME OUT OF HERE!' which is a play about a Year 6 class who, if they want to leave at the end of Summer, must earn stars by battling their way through five different trails.

We are busy trying our hardest to produce an fabulous show for everyone to come and see. Everyone who has taken part has been amazing so far!

Written by Parcy - Palm Class

## Good Luck Year 6!

We would like to wish Year 6 the very best of luck with their exciting venture to high school in September. You will all be missed at Cavendish!

I have loved making people laugh as the embarrassing gangster Dad!

ALEX (EMBARRASSING DAD) - PALM CLASS

I have enjoyed being able to socialise and rehearse with others who I don't usually speak to!

EVIE (BEV THE BOUNCER) - PALM CLASS

The Year 6 production is very entertaining and personally I really like the songs! The sound effects are well timed and amazing too!

FINLEY - JUNIPER CLASS

## Synonyms!

Draw a line to match each word to a synonym.

- |           |           |
|-----------|-----------|
| Happy     | Miniature |
| Small     | Tasty     |
| Noisy     | Joyful    |
| Scorching | Chuckle   |
| Morning   | Loud      |
| Laugh     | Caring    |
| Delicious | Dawn      |
| Kind      | Boiling   |
