### Bradford Reading Summer Challenge 2023

It is not too late to enter the Bradford Summer Reading Challenge! The Summer Reading Challenge encourages all primary school aged children to read for enjoyment during the summer holidays.

There is a huge program of FREE events across the Bradford Libraries over the summer and lots of lovely prizes for all children who participate!

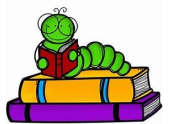

Pop along to your local library to register for free.

### Thank you!

We would like to say a big thank you to all our parents/carers for your continued support this year with your child's reading journey. Your support is very important and much appreciated.

### A little reminder...

To help us prepare for the end of term, we are asking for all library and home/school reading books to now be returned to school. This will enable us to replenish and organise the books, all ready for the children to enjoy in September. We would be really grateful if you could have a good look round at home for any school reading books, no matter how old they are, as we know children sometimes forget to return them.

## Our Recommended Reads

### Early Years and KS1: **We're Going on a Bear Hunt!** by Michael Rosen

This timeless, classic tale follows a family's excitement as they wade through the grass, splash through the river and squelch through the mud in search of a bear. What a surprise awaits them in the cave on the other side of the dark forest!

### KS2: **The Great Choco-Plot!** by Chris Callaghan

This exciting and funny adventure story is based around the terrifying scenario: 'what if chocolate was to disappear?' Jelly and her family live in Chompton-on-de-Lyte, where everyone loves a Chocablocka bar or two - so when the end of chocolate is announced, she can't believe it. With a super ending to the tale, this story has you hooked until the very end!
