Can you create a census record of the people in your home? 	Interview a family member about the past. How has life changed since they were your age? 	Write 10 sentences including our Common Exception Words. How many can you include in one sentence? 	Write a short horror story about a child who gets locked in school at night time. 
Can you create a classification key to sort different sweets/chocolates based on their characteristics? 	Complete the tests on SPAG.com. 	Look at the books you have at home. Sort them into different genres and write a list of each one. 	Design and create your own Scratch game. Remember to use (if...then...). 
Read with an adult twice a week and get them to sign your reading record. 	Can you create your own photomontage? Can you create an interesting cityscape using collage? 	Can you improve your score on TT Rockstars? 	Create a random 7 digit number. Create a poster to tell me as much as you can about this number. Can you round it to the nearest 100, 1000 and 10,000? Can you multiply and divide it by the powers of 10?
