

## We are an Outdoor Play and Learning (OPAL) School

20% of the school day is given to play, the same as Maths and English.  
Therefore, at our school, we value and prioritise play.

Every lunchtime our children have the opportunity to:

- Build dens
- Climb
- Roll
- Swing
- Play with mud
- Play with water
- Play with sand
- Dig
- Dance
- Perform
- Build
- Scoot
- Socialise

and much more!

By doing this, the children learn to:

- Have fun
- Take risks
- Persevere
- Build resilience
- Collaborate
- Negotiate
- Be a team player
- Problem solve

### Our Play Charter

**We are kind**

**We are resilient**

**We are safe**

**We are brave**

We can demonstrate these school values  
through the choices we make when playing.
